

MILK CARDS

Milk (chocolate or white) will
be available for lunch.

Milk cards *must* be used to get milk.

Each card costs \$10.00 and will
purchase 20 cartons of milk.

They can be purchased in the school
office, or elementary students can
purchase them through their teacher.

I would like to purchase a milk card.

(student's name and grade)

Number of cards: _____

Amount included: \$_____
