

**Community Christian School**

**Senior High Course Selection**

**\*\*This is NOT a schedule of classes. \*\* The class schedule will be finalized later in the summer.**

**2009-2010 School Year**

**Name and Classification \_\_\_\_\_**

**Directions:**

1. Follow the directions as noted. If you need to talk to or meet with Pastor Sartor about total credits, future choices, etc., contact the office at 756-8748 or [csartor@commbapt.com](mailto:csartor@commbapt.com). [Summer office hours are 8:30 am to 12:30 pm though meetings can be scheduled after these times.]
2. Return this form by fax, mail, or email; or call the office with the selections.
3. Important information in making selections:
  - \*Courses in **bold print** are the elective choices available at the particular grade level. Courses in regular print are the required courses.
  - \*Please refer to section 8.6 in the CCS Parent-Student Handbook about the senior high program of courses and credits.
  - \*A student must earn at least six credits and pass English and Math courses each year to be classified to the next higher classification.
  - \*A senior high student can only have two Teacher Aide credits-one per year [Any other Teacher Aide choice would be as a volunteer.].
  - \*A total of eight courses, required and elective, comprise a full schedule of classes.
  - \*On the actual class schedule, required courses will take precedent over electives.
  - \*Course selection requires a final decision on whether the graduation diploma will be a General or College Preparatory Diploma.
  - \*[**Publishing Technology** (Yearbook) has a limited class size and is only available by an application process the previous school year.]
