## **WELCOME BACK!**

It is good to see our new and returning students and families. If you have any questions please contact your child's teacher or the office. We want to be able to make this a great year for all of our students!

-Pastor Sartor

### **Volunteers**

Many thanks to the volunteers who were on campus last week helping teachers and staff members prepare for the start of school. *If you are interested in volunteering at CCS, please contact Pastor Sartor.*

**Around Campus** - - This week please take time to visit the remodeled areas of the buildings:

The new Elementary computer lab

The remodeled Junior-Senior High science lab

The new flooring in the lunchroom and kitchen

Also, the computer lab and the teachers have received new computers; as well as new software has been installed on our computer server system! The new software improves computer capabilities and will enhance communication between school and home.

All of these improvements were made possible from the school family payments to the Capital Improvement Fund and from generous donations by Mrs. Corrine McClure.

### ***Calling All Alumni!***

Thursday and Friday of this week are Alumni Visitation Days. Alumni are invited to participate in the Junior-Senior High Retreat – attending the chapels, sharing testimonies, and joining the activities. We will even feed them lunch. On Friday the annual Alumni Soccer and Volleyball games take place at 6:00pm and 7:00pm.

### **Boxtops**

Yes, Boxtops are being collected again this year. It is good once again to have Mrs. Mills and Mrs. Schmidt helping with the Boxtop program.

### **Soccer-Volleyball Season**

The first HOME games of the season will be with Ruskin Christian on August 24<sup>th</sup>, Tuesday next week. Admission is \$3.00 per student and \$4.00 per adult. Enjoy the BEST Concessions of the League at our HOME games!
