Dear CCS Senior High Families,

Clearwater Christian College's dual enrollment program allows our high school students to enroll in classes at Clearwater Christian College to obtain college credit while still in high school. Students enrolled in grades 10-12 may consider dual enrollment. To be eligible for consideration, students must submit to CCC the following:

- General Application for Admission
- Statement of personal faith
- Current high school transcript
- ACT or SAT test results
- Letters of recommendation from their pastor and high school guidance counselor or principal

Most high schools recognize dual enrollment courses and apply the credits toward specific course or general elective requirements in a student's program of study. CCS will accept the credits earned at CCC for our General and College Prep Diplomas.

Students registering for dual enrollment courses are responsible only for 50% of the cost of tuition, plus lab fees, and textbooks. *All other costs associated with applying and registering are waived.* For 2010-2011, dual-enrolled students are charged 50% which is \$305 per credit hour. Those who continue at CCC after high school graduation as full-time, degree-seeking students will receive a scholarship equal to the tuition they paid during their dual enrollment experience up to \$3,000. In essence, students can take dual enrollment courses practically **free of charge!** Also, the credits earned will be transferrable to other colleges.

Application and Registration should be completed at least two weeks before classes begin each term:

- Spring 2011 classes begin January 12
- Summer 2011 classes begin May 31
- As well as future summer and school years

If you have specific questions on the CCC dual enrollment program, I would encourage you to contact their admissions office at admissions@clearwater.edu, 727-726-1153, or 1-800-348-4463.

I personally would be glad to answer any questions that you may have. I want you to prayerfully consider this dual enrollment possibility, especially as you decide about a Christian college.
