

February 2010

Dear CCS Family:

Registration for the 2010-2011 school year has arrived. I appreciate your commitment to keep your child/children at CCS. You are eligible for the CCS K5-12<sup>th</sup> Grade Thanks-to-You Scholarship and the Preschool Credit Scholarship. Please read the details enclosed in this packet about these scholarships for more information.

Community Baptist Church has developed a tuition scholarship program. Though at present the funds that back this scholarship generate a limited amount of money to use in the program, it is a start to help our families. If you know of individuals that would like to donate to this tax-deductible scholarship program, have them contact the office for further information. If you are in need of tuition assistance, contact Mrs. Gail Zern, CCS financial manager, to learn how to access the FACTS tuition management program scholarship application.

We are committed, along with you, to make your child's CCS education as affordable as possible while continuing the quality of instruction. Please read through the enclosed information in this packet. You may contact the office at 756-8748 or [office@commbapt.com](mailto:office@commbapt.com) for further information.

Sincerely,

Pastor Charles Sartor  
Administrator
