## Host Family Responsibilities

- Notify the school office as soon as possible to let them know what family you are working with.
- As their Host, the office will need to know the following information:
  - 1) The parent's name(s)
  - 2) The home mailing address and phone number
  - 3) Each child's name and grade they anticipate entering next year
  - 4) The name of the school the child(ren) currently attends
  - 5) The name of the church the family attends.
- Get school literature into their hands.
- Be as helpful and informative as you can.

## Open House Opportunities

CCS will sponsor Open Houses to provide opportunities for prospective new families to get to know the school and the benefits our school has to offer.

As their Host, we encourage you to make sure they attend one of these events. Come along with them—your presence will help build their trust in and opinion of the school.

The Open Houses will be in January, February, and March.

## New Families

The new family will be able to be a host family after the child has been enrolled for one school year. Thus, the new family will be able to earn the \$500 per family as well!

## Entrance Testing

CCS will test each new student (K5-12th grade) coming into our school. This will allow their teacher to know each child's academic strengths and weaknesses.

New students will be placed in the appropriate grade or class(es) based upon their performance and previous report cards from other schools.

## Why is CCS doing this?

- By investing funds back to the best promoters this school has (your family), we are planning to stabilize your tuition payments. We believe this is a win-win situation for everyone.

## The Financial Blessing!

- For *each* new enrolled family that you host, we will credit your tuition account \$500.
- The *Thanks-to-You* Scholarship will be applied to your account in the month of January if the new child(ren) is still in our school at that time.

## We are here to help you!

- You are not in this process alone. The staff of CCS will do everything they can to make this a positive experience for you and the families you will be hosting.
- If you have questions pertaining to the scholarship program or need further assistance, please contact the office.
